The AMIA Conference Committee invites proposals for AMIA 2024 in Milwaukee, December 4-6.

Each year the goal of the Conference is to present a broad-based program that speaks to the wide range of attendees with a balance of theory and practice, inviting new ideas and concepts that may stimulate additional interest, involvement and educational benefit. In keeping with ongoing membership discussions about diversity and inclusion, we urge proposers to use the conference sessions as an opportunity to include new voices.
